

## ADVICE: MADHVANI FOUNDATION BENEFICIARIES TOLD TO JOIN ALUMNI

Madhvani Foundation administrator Beatrice Apoto (C) joins the Foundation's beneficiaries in celebration at the just-concluded 15th Uganda Christian University Graduation ceremony. The graduates (L-R) Catherine Kente, Lydia Ntono, Melech Asianzu and Mike Japendi were encouraged to join the Madhvani Alumni, an association made up of former beneficiaries, as this would provide them with excellent networking opportunities. The programme is aimed at benefiting Ugandans pursuing either undergraduate or graduate studies at university level and has been in operation since 2003/04 academic year. PHOTO BY MICHAEL
